GAYATRI TECHNICAL EDUCATION TRUST (GET) has come into existence in August 2002 with a unique vision. We have been emphasizing to enhance our substantial reputation for providing quality education through collaborative programs so as to become a well-recognized centre of excellence. We have been striving to build an organization that stays true to its objectives and to provide the best possible services to all the sections of the society. Not only that, we also stand up for our commitment towards the society at large and work towards building a knowledgeable society. We've been shaping our activities around the fulfillment of the ever changing society needs. Our efficient leadership ensures the unity of purpose & direction and our associates resolutely dedicate their efforts towards achieving the objectives that we've set for ourselves. GET is promoting learning in all fields of society for the community development & welfare for the economically & social backward without any discretion. We are dedicated to promote excellence through academic achievement, research, creativity, innovation, interaction and collaboration, personality development and leadership qualities, therefore following educational institutions are established under the aegis of GET.

About College

Aishwarya College of Education (ACE) established under the aegis of Gayatri Technical Education Trust, it is committed to fulfill the dreams envisioned by its founder members of providing modern technical and value based education to its students. College acquires a place of prominence in Western Rajasthan for providing multi-disciplinary, professional education that would help students to carve their own niche in the society. A team of highly qualified and committed professionals is devoted for grooming of students to make them better equipped professionals and be our brand ambassadors, as we believe in practice and not mere words and the fact is reiterated by our ever improving results both in academics and extracurricular activities. The college is affiliated with Jai Narain Vyas University Jodhpur, Bikaner Technical University Bikaner, Dr. Bhimrao Ambedkar Law University Jaipur in Rajasthan for imparting higher education in various streams. College is accredited by NAAC with 'B' Grade & recognized by UGC under section 2(f) & 12(B) of the UGC act 1956.

About Jodhpur

Jodhpur, the "Blue City" of India, captivates with its historical charm and vibrant culture. Explore majestic Mehrangarh Fort, stroll through the narrow, azure-hued streets of the old city, and experience the regal opulence of Umald Bhawan Palace. Immerse yourself in the rich heritage, colorful markets, and warm hospitality that define Jodhpur. Jodhpur is located towards the western side of the capital city of Jaipur. This city is the second biggest city in the state of Rajasthan. Being a place of princely palaces, magnificent forts as well as age old temples. This city of Rajasthan is among the famous tourist destinations in the state as well as India. Positioned in the Thar Desert's stark landscape, Jodhpur experiences a bright and sunny weather all through the year. For this, the city is also known as "Sun City". Jodhpur is well connected by air, Rail & Road from New Delhi, Mumbai, Jaipur, Ahmadabad and other prominent cities of the country. Most attractive tourist place near Jodhpur is Jaisalmer which is 292 kms from Jodhpur. It is the largest district of Rajasthan and 3rd largest district by territorial region in the country, hugged on the west & south-west by the Pakistani border. nicknamed as "The Golden city". Another attraction is Ajmer which is 244 kms from Jodhpur. Ajmer is surrounded by the Aravalli Mountains. Last but not the least is Udaipur which is 244 kms from Jodhpur. Udaipur, with its lakes, and historic palaces and architecture, is a major destination for tourists, both domestic and foreign nationals visiting the state. Also known as the "City of Lakes". Your journey awaits in this royal oasis of Rajasthan.

About the Conference

The National Conference titled "Education and Learning- Unlocking opportunities to create Pathways for Advancement" is set to be a pivotal gathering of educators, scholars and policy makers. This conference aims to explore innovative strategies and best practices that promote inclusive and equitable education for diverse learners. Participants can anticipate engaging discussions on educational disparities. The conference serves as a platform for sharing insights, research findings and success stories. Attendees can anticipate keynote addresses, interactive workshops, panel discussions, providing a platform to unlocking opportunities echoes a shared vision of fostering a more accessible and empowering educational environment for every individual, setting the stage for collaborative advancements in the field of learning.
