## ◀ About Gayatri Technical Education Trust (GTET)

Gayatri Technical Education Trust (GTET), established in August 2002, was founded with a visionary mission to provide high-quality education and foster a well-recognized Centre of Excellence. GTET is actively involved in the development and welfare of economically and socially disadvantaged communities. Our Initiatives are designed to promote learning without discrimination, empowering individuals with the knowledge and skills to contribute meaningfully to society. GTET is committed to excellence in academic achievement, research, creativity, and leadership development, and has established several educational institutions under its aegis to fulfill this mission. The following educational institutions are established under the aegis of GTET:-

- Aishwarya College of Education, K N Nagar, Jodhpur
- Aishwarya College of Education, Pali (Rajasthan)
- Aishwarya College of Education (LAW), Jodhpur
- Aishwarya College of Management & Research Centre (ACMRC), Jodhpur
- Aishwarya College of IT & Management (ACIM), Jodhpur
- Delhi Public Primary School, K N Nagar, Jodhpur
- Delhi Public School, Shikargarh, Jodhpur

## ◀◀ About Aishwarya College of Education (ACE)

Aishwarya College of Education (ACE), established under the esteemed Gayatri Technical Education Trust, is a premier institution committed to realizing the vision of its founders by delivering modern, value-driven education. ACE has emerged as a leading educational hub in Western Rajasthan, offering a diverse range of multidisciplinary and professional programs designed to empower students to thrive in an evolving global landscape. The college takes pride in its team of highly qualified, dedicated to the holistic development of students, nurturing them into well-rounded professionals equipped to meet the challenges of the future. Affiliated with Jai Narain Vyas University, Jodhpur, and accredited by NAAC with an 'A' grade, ACE is recognized by the UGC under sections 2(f) and 12(B) of the UGC Act, 1956. Aishwarya College of Education continues to shape future leaders, fostering a culture of learning, integrity, and societal contribution.

## ◀◀◀ About the Conference

The National Conference on "The Role of Education in the Promotion of Environmental Health" is a prestigious gathering of educators, researchers, policy-makers, and thought leaders. This conference aims to explore and critically analyze innovative strategies and best practices that position education as a key driver in enhancing environmental health for sustainable development. The conference will offer a dynamic platform for discussing the intersection of education and environmental health, highlighting how inclusive and equitable education can contribute to a healthier and more sustainable future. Attendees will engage in thought-provoking discussions on how to overcome educational disparities and integrate environmental health education into diverse learning frameworks. This conference seeks to foster a shared vision for empowering individuals and institutions to contribute to a healthier planet through informed, equitable education practices.
