1) Registration and Selection Trials

Univ./College students interested in participating in selection trials must complete the online Google registration form on or before the trial date. The link will be sent to the official College/Institute email. Students who fail to register online will not be permitted to participate. On the day of the trials, a physical copy of the Google registration form, which must be duly verified with a signature and seal from the concerned College/Institute authority, must be submitted to the in-charge of the specific game or sport. Students must also present their College Identity Card and other necessary documents.

2) Scheduling and Changes

Please note that all dates for selection trials and Inter-College/Faculty Tournaments are tentative. A separate notice detailing the specific dates, times, and venues will be issued at least one week before the scheduled event by the respective game or sport in-charge. While we aim to follow the schedule as closely as possible, the right to make changes to the date, time, and venue for any special or unavoidable reasons is reserved by the undersigned.
