NOTICE

21 DAYS INDUSTRY-READINESS TRAINING PROGRAMME

Date: 28 September, 2026

This is to inform all students that the **Training & Placement Office (TPO)** of Aishwarya College of Education is organising a **21-days TRAINING PROGRAMME** commencing from **5th October 2026** with the objective of enhancing students' technical skills and making them **industry-ready**.

During the internship, students will receive practical and hands-on training and will receive **CERTIFICATE** in the following technologies:

- **MERN Stack Development** – MongoDB, Express.js, React.js, and Node.js, with practical exposure to full-stack web application development.
- **Introduction to Hadoop** – covering the fundamentals of Hadoop and its applications in Big Data processing.

The internship is designed to bridge the gap between academic knowledge and industry requirements by providing students with **practical exposure, technical skills, project-based learning, and an understanding of current industry technologies**.

All students are encouraged to participate actively and attend the internship sessions regularly to make the most of this industry-oriented training opportunity.

Venue: LAB1

TIME: 12 : 30 - 3:00p.m
